In the article, "Sink or Swim: Practical Considerations for Handling Summertime in the Workplace," Cynthia Federico and Emily Litzinger discuss seasonal legal issues that employers may face specifically during these hot summer months.

"With warmer weather and the summer season fast approaching, employers are faced with a myriad of seasonal legal issues, like summer interns, exposure to heat while on the job, and managing employee time off. With one wrong step, employers face the potential of lawsuits for discrimination, wage and hour or OSHA violations, as well as morale problems."
