The article "Are Your Employees Poachable? Here Are 7 Ways to Tell" co-authored by Mike Greco and Chris Stief appeared on TLNT on April 11, 2011.

Recent survey results by Manpower suggests employers across the country are planning to increase their hiring during the second quarter of 2011. Here are 7 ways to tell if your employees are poachable:

1. Is employee morale down?
2. Is upheaval shaking up your industry?
3. Are you experiencing turnover at the top?
4. Are your employees are well trained and/or specialized?
5. Is your competition moving in?
6. Are you in the professional services industry?
7. Are you sharing the bounty?
