12:00 -1:00 p.m. PST

Paid Family Leave Benefits (PFML) become available January 2020 and there is still uncertainty regarding concurrent leave, employer notification requirements, interaction with other paid leave benefits, best practices for written policies, applying for benefits, and other FAQs for administration of this new leave. We hope the New Year will bring certainty on these and other PFML topics. Join Seattle attorneys Catharine Morisset and Scott Prange to take a "first look" at PFML compliance soonafter its launch.
