San Diego Attorneys Discuss Managing Brewery Employees in Era of Legalized Marijuana

Publication
4.09.19

In their bylined article for *Beverage Master* titled "Crafting Marijuana Policies? Managing Employees in the Wake of Legalized Marijuana," San Diego Partner Amy L. Lessa and Associate Nicole E. Stenoish discuss how craft breweries can comply with conflicting state and federal laws on marijuana. Amy and Nicole explain that many employers are questioning whether to revise their workplace marijuana policies and practices, and they provide three key issues employers should keep in mind when determining the best marijuana policies for their workplace.
