Join Fisher Phillips attorney Cathy Stutin for a Providence School Training Webinar on Child Abuse and Student Bullying.

9:00 AM – 10:00 AM
Child Abuse
One hour program

This program discusses one of the most difficult areas for School administrators and faculty: how to identify the signs and symptoms of child abuse or neglect. The program provides guidance on how to establish internal procedures for responding to these allegations, as well as a comprehensive discussion of the School's state law reporting obligations.

10:00 AM – 11:00 AM
Student Bullying
One hour program

Participants will learn about behaviors that constitute bullying (including cyber-bullying), hazing, and harassment; the differences between them; the impact of the behavior; the legal liability; and methods for both combating the behavior and instituting policies and programs that may help the School avoid liability.
