National Bar Association Labor and Employment Section's Annual Conference

Event

W Atlanta - Buckhead 3377 Peachtree Rd NE Atlanta, GA 30326

10.27.17

Sidney Minter will be presenting "Legalized Marijuana Under The Trump Administration" on a panel at the National Bar Association Labor and Employment Section's Annual Conference on October 26-28 at the W Atlanta - Buckhead.

The panel will discuss the United States Department of Justice review and potential modification of its enforcement policy with respect to medicinal and recreational marijuana and the legal rights and restrictions for employers. Additionally, the panel
will discuss the distinctions between medicinal and synthetic marijuana and its interaction with drug detection, privacy and disability laws.
