Request for Medical Exemption/Accommodation Related to COVID-19 Vaccine

COMPANY ("Company") is committed to providing equal employment opportunities without regard to any protected status and a work environment that is free of unlawful harassment, discrimination, and retaliation. As such, the Company is committed to complying with all laws protecting individuals with disabilities or medical conditions. When requested, the Company will provide an exemption/reasonable accommodation for any known medical condition or disability of a qualified individual which prevents the employee from receiving a COVID-19 vaccine, provided the requested accommodation is reasonable and does not create an undue hardship for the Company and/or pose a direct threat to the health or safety of others in the workplace and/or to the requesting employee.

To request an Exemption/Accommodation related to the Company’s COVID-19 vaccination policy, please complete Part 1 of this form, have your healthcare provider complete Part 2 (the certification portion), and return them to Human Resources. This information will be used by Human Resources or other appropriate personnel to engage in an interactive process to determine whether an employee is eligible for such exemption/accommodation and if so, to determine the reasonable accommodations which can be provided that would enable the employee to perform the essential functions of their position without posing a threat of harm to self or others. If an employee refuses to provide such information, the employee’s refusal may impact the Company’s ability to adequately understand the employee’s request or to effectively engage in the interactive process to identify possible accommodations.

Medical exemptions/accommodations for the COVID-19 vaccine will be considered if the employee provides a written certification by a licensed, treating medical provider [a physician (MD or DO), nurse practitioner (NP), or physician’s assistant (PA)], of one of the following:

1. The applicable CDC contraindication for the COVID-19 vaccine, or

2. The applicable contraindication found in the manufacturer’s package insert for the COVID-19 vaccine, or

3. A statement that the physical condition of the person or medical circumstances relating to the person are such that immunization is not considered safe, indicating the specific nature and probable duration of the medical condition or circumstances that contraindicate immunization with the COVID-19 vaccine.

Commented [1]: This framework is applicable to flu shots and other employer-mandated vaccines. Thus, the references to COVID-19 may be revised to encompass any other vaccinations that the employer requires.
