Fisher & Phillips LLP Breakfast Briefing

Easing the Employer's Biggest Headache – Solving the Workers' Comp/FMLA/ADA Puzzle

The attorneys from Fisher & Phillips LLP will update you on recent changes and help you navigate these sometimes confusing and often overlapping statutes. The program will use real examples to walk you through how to handle such issues as intermittent absences, the Friday–Monday phenomenon and the always favorite “I know I said the employee could return in two weeks, but now he needs another two weeks (for the fifth time)” – not to be confused with the “I do not know when or if I can return to work but please hold my job for me.” We look forward to seeing you on November 13!

Please register no later than November 9. Space is limited.
