Fisher & Phillips LLP Breakfast Briefing

Join us every third Thursday of the month for breakfast and a discussion on hot employment law topics. This complimentary event is a great opportunity to network and talk with other HR professionals, managers, business owners and our expert lawyers in an informal and collaborative setting to get the information you need to stay in the know.

Complex Harassment Investigations: From Innuendo to Bullying to He Said/She Said Complaints

Every employer will need to conduct a workplace investigation at some point, and an effective investigation can make the difference between a litigation-free resolution and a painstakingly long lawsuit. Investigations are rarely simple, and in this presentation we will go beyond supervisor harassment training and provide solutions to those challenges that commonly arise during investigations and provide tips for investigations that will keep you out of litigation.

Please RSVP by October 14 to
