Please join Fisher Phillips attorneys Joe Ambash and Cheryl Pinarchick, of the Boston office, as they discuss the federal Fair Labor Standards Act exemption changes, the challenges they present, and what it all means for employers in Massachusetts.

The final countdown is officially underway. Long anticipated changes to the regulations that define exemptions under the federal Fair Labor Standard Act’s Section 13(a)(1) take effect nationwide on December 1st. Are you familiar with the new regulations? Has your organization taken appropriate steps to ensure compliance? Are you aware of the substantial financial risks associated with non-compliance? There is still time to prepare, but the clock is ticking.

This webinar will discuss a wide range of issues, including:

- The new salary threshold
- The new “highly compensated” employee threshold
- Where to begin evaluating the impact of these changes
- Other exemptions that might apply
- Converting to non-exempt status
- Alternative pay structures to consider
This 45-minute webinar will be immediately followed by 15 minutes of Q&A with the presenters.
