

Class Arbitration Ruling A Caution For Employers

News

6.17.13

Darin L. Mackender was featured in an article entitled "Class Arbitration Ruling A Caution for Employers," published in *Law Week Colorado*.

A U.S. Supreme Court ruling involving class actions and arbitration agreements offers a cautionary tale for employers.

Although the dispute was between doctors and a health plan, it could just as easily have happened in an employer-employee context, said Darin.
