

Evans Keane Taps Local Talent for its New Office in Carlsbad

News

10.20.13

In a *San Diego Business Journal* article, Associate Jim Fessenden discussed his desire for small business owners to reconsider the impact of the minimum wage increase and other wage-and-hour issues.

Jim explained, for example, that increases in the minimum wage will impact whether employees will qualify for one of the "white collar" overtime exemptions (executive, administrative or professional) under California law.
