

Guns in the Workplace: A Safety Issue or a Nightmare

News

10.26.13

NBCNews.com and *MSN News* quoted Birmingham Attorney Marion Walker in their October 26 articles, "[Guns in the Workplace: A Safety Issue or a Nightmare?](#)"

The articles discussed new laws that permit bringing a gun into the workplace.

Marion commented that: "Employers are trying to identify the parameters of actions they should take or could take...The law is not well defined."
