

Be Careful What You Wear to the Office on Halloween

News

10.29.13

ERE.net's October 29 article "Be Careful What You Wear to the Office on Halloween" quoted Steve Miller, a Chicago partner, as he gave advice on costumes to steer clear of in the workplace. Steve said, "Scanty outfits like sexy nurse or a pole dancer are out (and should be obvious, yet aren't), as are costumes that mock ethnic or religious groups or sexual orientation."
