

U.S. Senate Supports Gay Rights in Workplace

News

11.07.13

Bert Brannen, partner in the Atlanta office, was quoted in an *Atlanta Business Chronicle* article about a recent U.S. Senate ruling making discriminatory business hiring and employment practices based on sexual orientation or gender identity illegal. The article, "[U.S. Senate Supports Gay Rights in Workplace](#)," included Bert's thoughts on the ruling stating, "I think there will be some vulnerable Republicans on social issues, particularly in the blue [Democratic-leaning] states. . .It's really a law whose time has come."
