

## Bullying in the Workplace

News

11.13.13

*KMBZ News* featured commentary from Jim Holland, partner in the Kansas City office, in a November 13 news story on bullying.

Jim noted in the interview that: “[employers] have to take every complaint of bullying seriously.”

Jim offered further guidance to employers, stating that there is a fine line between bullying and unlawful harassment and to make sure employees know about the company’s harassment policy.
