'TIS THE SEASON FOR SEASONAL HIRES

News

Dec 16, 2013

An article by Janet Hendrick about seasonal hiring was featured on *Law360*.

Janet said seasonal hiring is a traditional, necessary and beneficial practice for many retail employers.

Employers are likely to be presented with a better crop of candidates looking for seasonal work than ever before, said Janet.

Some employers may decide to use seasonal hiring to improve their permanent workforce by replacing existing lackluster performers with superior seasonal talent.
