News

Dec 16, 2013

An article by Alice Wang was featured in the Dec. 12, 2013 issue of *The Recorder*.

Alice's article "Associates' Guide to the Law Firm" explained how the legal profession is a service industry.

"The saying the customer is always right is a golden rule in the legal profession," said Alice. "This is not to say in any way, shape or form that lawyers should advise their clients they are right when they are violating the law or that lawyers should just say what clients want to hear."
