

Legal Concerns Arise At Workplaces Waging Flu Fight

News

12.18.13

Howard Mavity was featured on the *New Orleans City Business*.

Howard explained that almost 4.1 million employees missed work due to illness last January, which was the most since 2008.

Some years, absences during that four-month period ran at 3.8 million a month, for a whopping total of over 15 million absences.

This extraordinary cost demands that employers take action now before the worst of the season, Howard said.
