An article by Kansas City attorney Jim Holland was featured in the *Kansas City Star*.

The article entitled “Obamacare Issues Top 2014 List” was published on December 10, 2013.

Uncertainty about how the Affordable Care Act will unfold is creating havoc for employers, Jim wrote.

Jim said it’s possible that more provisions will be postponed or changed, or that the ACA will simply implode under its own weight.

Self-insured employers also must make sure the plan or plans they offer meet requirements, which tend to be more stringent than some plans previously in place, Jim wrote.
