A blog post by Howard Mavity was featured in an article entitled “Lawyer Uses Seaworld OSHA Investigator’s Actions As Example Of How Not To Act,” on [Examiner.com](#).

Howard’s blog post, [“Think About How It Will Look!”](#), examines how OSHA investigator Lara Padgett’s actions have created a public relations nightmare for OSHA, since she was the lead investigator in the [SeaWorld Orlando](#) case.

Although that presumably means she should have a neutral stance, an avalanche of evidence shows that she’s extremely close to the Blackfish production team, according to the article.
