

# Managing the Risks of Client-Sponsored Group Health Plans

News

2.01.14

Sheldon Blumling wrote an article for *The ACA: A Guide to the Year Ahead*.

He explained how client-sponsored group health plans are becoming more common in the PEO industry for a variety of reasons:

- Larger, more sophisticated clients are using PEOs.
  - Increased regulatory constraints exist for PEO-sponsored group health plans, including those brought about by healthcare reform.
  - Fewer choices exist in the marketplace for PEO-sponsored group health plans.
