

Commentary: Think Twice Before Sending That Text

News

2.09.14

An article by Rich Meneghello was featured in the NYDailyRecord.com article entitled, “Commentary: Think Twice Before Sending That Text.”

Even the least savvy manager out there knows that memos often are circulated around the office, but sometimes caution goes out the window when it comes to emails and texts, Rich wrote.

He used the New Jersey bridge scandal as a strong reminder that even digital communications are just as discoverable and can be just as damaging.
