

Tips For Handling Love In The Workplace

News

2.12.14

An article by Mitch Baker entitled “Tips For Handling Love In The Workplace,” was published in *Daily Journal of Commerce*.

Employers should take proactive steps to insulate themselves from the liability that can arise from such relationships, Mitch wrote.

He suggests updating the company's harassment policy. Distribute it to all employees upon hire and keep a signed acknowledgment-of-receipt form in each employee's file.
