

## Companies That Share Information Build the Culture They Want

News

3.07.14

An article by Howard Mavity entitled “Companies That Share Information Build the Culture They Want,” was featured on *TLNT*.

Leadership lessons from the military do not necessarily translate to the private sector, Howard wrote.

I am uncomfortable with business books which continually analogize the workplace to the battlefield. It’s not the same thing, Howard explained. However, there is an enormous amount of wisdom to be gleaned from those who have served.
