

Check Your Emergency Exit Routes For OSHA Compliance

News

3.13.14

Tracy Moon and Michael Elkon were featured in an article entitled “Check Your Emergency Exit Routes for OSHA Compliance.”

According to the article, most businesses are not prepared to deal with an emergency. BLR’s “Emergency Management Summit,” is taking place on March 26.

The summit is an interactive extended webinar, offering the tools and information to plan for and manage any workplace emergency.

1:30 p.m. to 2:30 p.m.
