DISCIPLINARY MOVES: DICEY IF THE WORKER COMPLAINS FIRST

News

Jun 17, 2014

[Tillman Coffey](#) is quoted in the June 17, 2014 *Corporate Counsel* article "Disciplinary Moves: Dickey If the Worker Complains First." He provides some recommendations employers should follow including document any potential concerns over a worker's performance immediately. Be especially careful if a disciplinary action will affect someone who engaged in protected activity, such as filing a harassment complaint.
