

E-Cigarette Smoking Bans

News

8.18.14

Pavneet Uppal was a guest speaker for the *Arizona Horizon* on August 18, 2014. He was featured in a presentation entitled “E-Cigarette Smoking Bans.”

In 2006, Arizona voters passed a ban on smoking in public places. As electronic cigarettes grow more popular, questions are being raised as to whether those smoking devices are included in the ban.

Pavneet Uppal discussed the gray areas when it comes to banning e-cigarette use in public places.
