SLC 2014: TOP SAFETY LAWYERS GIVE THEIR REVIEWS

News

Oct 29, 2014

Howard Mavity and Ed Foulke were interviewed by *EHS Today* Editor in Chief Sandy Smith on October 29, 2014.

In the interview, the two attorneys provided their takeaways on everything from safety culture and best practices to onboarding a new generation of workers to a safety-related orientation.

They talked about taking safety disciplines outside of manufacturing and into other industries like retail, hospitality and health care.

Howard and Ed hope more companies see safety as a way to improve the bottom line.
