Firms included in the 2015 “Best Law Firms” list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving a “First-Tier” ranking signifies a quality law practice and breadth of legal experience and knowledge.

The 2015 rankings are based on the highest number of participating firms and the highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in *The Best Lawyers in America*, which represents the top four percent of practicing attorneys in the United States. Fisher Phillips has 85 attorneys listed. More than 17,000 attorneys provided almost 600,000 law firm assessments and nearly 7,500 clients provided more than 40,000 evaluations.
