

## OSHA Update Lightens Load for Whistleblowers

News

2.18.16

The article “OSHA Update Lightens Load for Whistleblowers,” featured in *Business Insurance*, discussed how whistleblowers will have an easier burden of proof to meet in the initial evaluations of their complaints under a recent update to the Occupational Safety and Health Administration's whistleblower manual.

Ed Foulke provided his take on the recent update.

“The biggest thing is it's making it a lot easier for a complaint to go forward,” said Ed.
