The article, “Summer Work Attire: Five Tips From NJ Experts,” featured on *NJ 101.5*, offered some tips, for workers and bosses, to remember when considering what to wear and what not to wear on a sweltering summer day.

According to Kathie Caminiti, summer dress codes create a more casual environment and increase morale, but it helps if companies have a clear, well-explained policy in place.

“It could very well be in your best interest to go article by article, head to toe,” Kathie said of employers’ dress codes.

She’s seen policies that go as far as providing pictures, showing what is acceptable and what is not.

If there’s no dress code in place, and you’re interested in being more comfortable at work, it’s up to you to use common sense.
