

Chairman Roger Quillen Featured on High Velocity Radio

News

6.15.16

Chairman and Managing Partner Roger Quillen was interviewed on *High Velocity Radio* on June 15, 2016. In the interview, Roger discussed the firm's growth under his leadership, its mission and the strategy behind the recent rebranding. He also touched on the future of labor and employment law and the various innovations that the firm has implemented, including the development of the award-winning Family and Medical Leave Act (FMLA) Leave Calculator App that has been widely praised in the media.
