# IS TECH SINKING YOUR BUSINESS? HERE'S HOW YOU CAN PROTECT YOUR COMPANY

News  
Dec 12, 2016

In the article, "Is Tech Sinking Your Business? Here's How You Can Protect Your Company," featured on *AZBIGMedia*, Partner Pavneet Uppal discusses how companies can protect trade secrets and confidential information.

"Fortune 50 companies down to small start-ups are increasingly recognizing that they need to have policies and procedures in place to protect their trade secrets and confidential information from walking out the door," Uppal says.

Hiring a technology consultant to evaluate where risk lives within a firm's technology setup can go a long way with helping a business shape its data protection policies, he adds.
