

Can You File for Unemployment Benefits After Signing a Release?

News
2.27.17

In a recent article published on *Boston.com*, Jeff Dretler answers the question, "Can You File for Unemployment Benefits After Signing a Release?"

Dretler explains, "In most circumstances, an individual receiving severance pay is disqualified from receiving unemployment benefits during the period of severance. However, when an employee executes a release of claims as a condition of receiving severance, that disqualification does not apply."
