

Restaurants Should Prepare for an Increase in Immigration Enforcement

News
2.28.17

In the article, "Restaurants Should Prepare for an Increase in Immigration Enforcement," published in *Restaurant Hospitality*, Jessica Cook addresses the impact that the restaurant industry will have due to the stricter enforcement of I-9 documentation.

"While there have not been widespread reports of raids in the restaurant industry in recent weeks, audits of I-9 documents required for all workers to certify eligibility to work in the U.S. will likely be stepped up under the Trump administration," said Cook.
