

## O'Reilly and Changing a Culture of Sexual Harassment

News

4.21.17

Fox's departure with Bill O'Reilly has inevitably prompted a conversation about the tolerance of sexual harassment culture within American businesses. In the article, "O'Reilly and Changing a Culture of Sexual Harassment," featured in *the Christian Science Monitor*, Michael Marra discusses the importance of having a zero-tolerance policy in place.

"But as a company you cannot just say, 'Is this person just not serious about this allegation?'," says Marra. Or is the reluctance "because we as a company are not making people feel comfortable, letting them know that they're not going to suffer any repercussions for being involved in raising this issue?"
