

# Labor Board Rule to Speed Up Union Elections Shows Mixed Results

News  
5.02.17

Although the National Labor Relations Board's "quickie" election rule has shown some predicted outcomes, the quicker pace has had little impact on the union's success rate. In the article "Labor Board Rule to Speed Up Union Elections Shows Mixed Results," Steve Mitchell comments on the complexity of union activity.

"Having a union is a complicated thing sometimes, and employees need to know what they're getting into," Steve told *Bloomberg*. "Sometimes it's just better to have some time so they can be educated and make a good decision."
