News  
5.06.17

Michelle Anderson was featured on *WDSU* on May 6, 2017. In the segment, Michelle discussed sexual harassment workplace policies following the Bill O'Reilly and Fox scandal.

"Every employer should have an anti-discrimination/anti-harassment policy that sets forth what the company deems to be inappropriate conduct," says Anderson. "It needs to include a reporting mechanism - who do you go to that you timely report it? It will be investigated and there will be no retaliation for bringing forth a valid complaint."
