H1-B DRAMA: IT FIRMS SEND INDIAN RECRUITS BACK HOME, TECH WORK OUTSOURCED

News
May 9, 2017

In the article, "H1-B Drama: IT Firms Send Indian Recruits Back Home, Tech Work Outsourced," featured in *Business Standard*, Partner Shanon Stevenson explains the decrease in H-1B visa applications.

Indian companies that send tens of thousands of workers to the U.S. annually applied for fewer visas this year "due to the fear and uncertainty surrounding the Trump administration's stance on immigration," said Shanon.
