Associate Attorney [Alexander Wheatley](#) has received the honor of being listed among the 2017 Oregon Rising Stars.

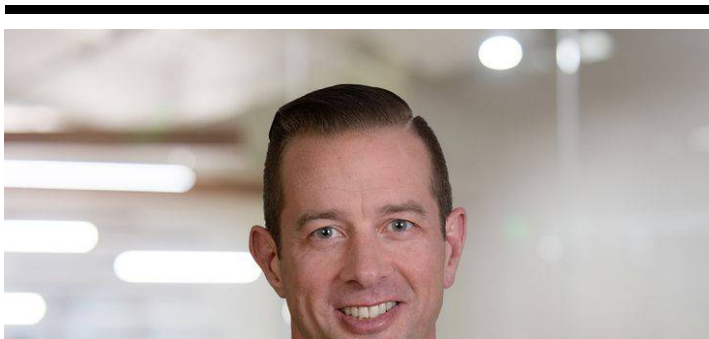

A Thomson Reuters business, Super Lawyers is a rating service of lawyers leading in their field who have received peer recognition and who have attained a high degree of professional achievement. The annual state-by-state selections are made using a patented multi-phase process that includes independent research, peer nominations and peer evaluations.

Based on a multiphase selection process, lawyers listed as Rising Stars must be 40 years old or younger and in practice for 10 years or less. Only 2.5 percent of Oregon Attorneys are named Rising Stars.
