Fisher Phillips has been recognized by BTI Consulting Group for having Leading Collaboration across the law firm.

The firm was one of 54 chosen nationally to receive this recognition. BTI's "Law Firms with the Best Collaboration 2017" is based on in-depth telephone interviews with leading legal decision makers at large organizations with \$1 billion or more in revenue. The comprehensive analysis trends data from more than 4,800 corporate counsel client interviews conducted over the span of 17 years.

"Fisher Phillips is proud to be recognized by BTI Consulting Group for our collaborative skills and leadership," said Roger Quillen, Chairman and Managing Partner of Fisher Phillips. "This demonstrates our deep understanding of client needs across teams and our commitment to working together to deliver exceptional service."

BTI is the leading provider of strategic, client-based research to the legal community. Law firms included on the organization's "Law Firms with the Best Collaboration 2017" list are named in an unprompted manner by corporate counsel for showcasing collaborative skills which make them stand apart from other firms.
