

## **KYW News Radio – Workplace Violence Seminar**

News

12.26.17

KYW News Radio reported about Center City, Philadelphia officials partnering with Lori Armstrong Halber in a workplace violence seminar teaching employers how to respond to violence on the job. In the story Lori discussed how companies should develop best practices to develop a live shooter plan. Lori said, “A minute of time in a workplace shooting is an eternity and it can lead to - as we’ve seen in the news -hundreds of deaths. So, it’s a really important measure employees need to take.”
