

Office Love: Workplace Dating in the Age of MeToo

News

2.13.18

Brandy Cody and Clarence Belnavis are quoted in “Office Love: Workplace Dating in the Age of MeToo” which was featured in the *Business Tribune*. This article discusses the complexity of dating in the workplace and the importance of creating an understanding of what is and isn’t tolerated.

Brandy and Clarence give insight on navigating relationships within the workplace and discuss how communication between employer and employees can limit problems down the road. To prevent troublesome situations they advise outlining appropriate policies, creating love contracts, and educating both management and employees on how to handle situations properly.
