**CHARLOTTE, N.C. (February 20, 2018)** – Sidney Minter of the Charlotte office will be co-chairing the call center for the 11th Annual 4ALL Statewide Service Day on Friday, March 2.

The 4ALL Service Day is a program of the North Carolina Bar Foundation in conjunction with the North Carolina Bar Association. On March 2, North Carolina lawyers from across the state will join forces to take calls from the public at call centers located throughout North Carolina. Lawyer volunteers provide legal information and referral resources to callers seeking information regarding North Carolina-related legal matters. WBTV – which has served as the Charlotte 4ALL media partner for the past 10 years – will again host the Charlotte site where volunteer attorneys will answer calls from the public between 7 a.m.-7 p.m.

“When I became a lawyer, I knew that providing service to the community would be one of the pillars of my legal career. That said, when I was presented with an opportunity to contribute to such a worthy cause, I gracefully accepted it,” said Sidney. “Having participated in this event in the past, I can testify to the true impact this program has on thousands of North Carolina residents. I am proud to be able to play a small role again this year.”

Funding for the 4ALL program and many other public service projects is provided through the [NCBA Foundation Endowment](#), which has awarded over \$6 million in grants to legal services providers and law-related public service initiatives since its establishment in 1988. The mission of the NCBA Foundation is to serve the public and the legal profession by promoting the administration of justice and encouraging the highest standards of integrity, competence, civility and well-being of all members of the profession.
