

This Interactive Map Shows Just How Much Your State Protects You Against Unfair Pay Practices

News

2.22.18

Partner Kathleen Caminiti of the New Jersey office, is quoted in the *Fast Company* article “This Interactive Map Shows Just How Much Your State Protects You Against Unfair Pay Practices.” The article discusses the launch of the Fisher Phillips web-based tool, the “Pay Equity Interactive Map” which allows employers to view the pay equity laws of states and major cities.

“A number of states have already enacted robust pay equality statutes, and we expect more legislation on the horizon,” said Kathleen.
