Kathleen Caminiti, Cheryl Pinarchick, and Janet Hendrick have been quoted in the article “Interested in State’s Pay Equity Laws? Check Out This Firm's Interactive Map” featured in the *Texas Lawyer*. This article discusses the launch of the Fisher Phillips “Pay Equity Interactive Map.” The interactive map details pay equity laws in all 50 states.

Cheryl said there is such a patchwork of state and even local laws on pay equity that lawyers have to work hard just to keep up with them all. Clients are also “frustrated and completely challenged to make sure they are in compliance,” added Janet.

“The purpose of [the map] is to be able to provide employers with an understanding of the pay equity law and landscape across the country,” said Kathleen.
