

## White Men Challenge Workplace Diversity Efforts

News

3.14.18

Danielle Moore is quoted in the *Wall Street Journal* article “White Men Challenge Workplace Diversity Efforts.” This article discusses two current high profile cases in which white men have accused Alphabet Inc., the parent company of Google and YouTube, of discrimination or retaliation against white men. These cases could have broader implications for the tech sector and their recruiting methods as the tech industry already faces scrutiny for a lack of diversity.

Danielle Moore said until recently she had never represented a business against a reverse discrimination claim, but two such cases have come her way in the past year.
