Kathleen Caminiti, co-chair of the firm's Pay Equity Practice Group, is quoted in the Law.com article "Labor of Law: Tech Tools for Workplace Rules | Plus: New & Notable Labor Moves." This article highlights technology tools law firms are designing to adapt to changing labor laws. In February, Fisher Phillips announced the "Pay Equity Interactive Map," a web-based tool that allows visitors to access up-to-date pay equity laws of states and major cities."

"A number of states have already enacted robust pay equality statutes, and we expect more legislation on the horizon. We wanted to provide a place for companies and their counsel to readily access the relevant pay equity laws," said Kathleen.
