

Reporters Reach Out to Fisher Phillips for Masterpiece Ruling Analysis

News

6.04.18

Reporters reached out to Fisher Phillips when the Supreme Court announced it had sided with a baker who refused to make a cake for a same-sex couple. Lisa McGlynn and Cynthia Doll were available to provide analysis on what the ruling means for employers. *Business Insurance*, *Nation's Restaurant News*, *Business Management Daily* and *SHRM* included one or both attorneys in their stories.

Specifically McGlynn told *SHRM*, "This is an extremely narrow ruling that really didn't get to the heart of the issues presented in the case. Employers should not interpret the ruling to mean that sexual-orientation discrimination is acceptable in the workplace."
